

Kshitij Thareja

SOFTWARE DEVELOPER

Profile

I'm a software developer with a growing interest in Artificial Intelligence and Machine Learning (AI/ML), currently focused on gaining hands-on experience and learning new skills.

Employment History

Member, amFOSS, Amritapuri

DECEMBER 2022 – PRESENT

- Active member of amFOSS, the Free and Open Source Software club situated at Amrita Vishwa Vidyapeetham, Amritapuri. Within the club, I actively participate in diverse events, contributing to both my technical and non-technical skill set.
- Worked on numerous projects, collaborating with teams and pursuing individual ideas.
- Represented the club in various competitions and hackathons, showcasing my commitment to both personal and collective achievements.

Open Source Contributor

OCTOBER 2023 – PRESENT

I am an active contributor to several open-source organizations. Notably, I have contributed to the codebases of Learning Equality and Internet Archive—prominent organizations within their respective domains. This experience has not only honed my technical skills but has also provided me with insights into the collaborative and impactful nature of open-source development.

Education

BTech in Computer Science and Engineering, Amrita Vishwa Vidyapeetham, Amritapuri, Kerala

NOVEMBER 2022 – PRESENT

- Currently pursuing my undergraduate studies in Computer Science and Engineering.
- First year CGPA: 9.81

Grade- 10th and 12th, Montfort World School, Karnal, Haryana

2019 – 2022

- Grade 10th percentage: 98%
- Grade 12th percentage: 97%

Courses

Machine Learning Specialization, Stanford (Coursera)

NOVEMBER 2023 – PRESENT
